THE UNICORN range of fine quality dart products embraces the world's most comprehensive selection of patterns, flights, cases and accessories, all carefully designed and precision made to satisfy the needs of every dart player and graded in price to suit every pocket.

Our aim is to make trading with Unicorn easy. We try very hard to have an appreciation of our customers problems and to have a minimum of rules. We feel the stating of our policies will make it easier and more profitable for our customers to deal with Unicorn.

- 1. WARNING**
Darts is an adult sport. It is dangerous for children to play without supervision. We recommend that a dealer should exercise discretion where any sale might result in children playing without adult supervision.
- 2. DISTRIBUTION**
We are geared to supply goods to accredited retailers only and cannot give satisfaction to clubs or individuals, whom we refer to local dealers, unless and ready to provide a prompt and complete service.
- 3. SPECIFICATIONS**
We have taken every care to ensure that the information detailed in this catalogue is truthful and accurate. All weights and sizes are approximate and for guidance and comparison only. Should circumstances arising subsequent to publication, e.g. world shortages of raw materials, render us unavoidable some changes in production, Unicorn Products Limited reserves absolute discretion to make these or any other changes they deem necessary without notice and obligation.
- 4. PRODUCT IMPROVEMENT**
Continuous research and development will bring about changes in design, material and arrangement of our products during the life of this catalogue. We shall pass to our customers such benefits or improvements as they occur by delivering the latest version of any product. Such improvements or modifications as may be introduced do not place us under any obligation to make similar changes in articles sold before the date of introduction.

- 5. STANDARD PACKS**
Many of the items in this catalogue are prepacked in convenient size standard packs. The standard pack has been selected for ease of stocking and ordering, economy in production and to ensure safe transit of the contents. For these reasons we cannot split standard packs and where orders call for other than standard packs we shall adjust the order to the nearest pack quantity.
- 6. GUARANTEE**
We do not give the usual type of guarantee, which is subject to so many conditions as to be worthless. It is however, our aim to ensure the complete satisfaction of our customers and in case of a genuine complaint as to the quality of our goods, we shall be anxious to rectify any fault of our own free will and at our discretion only.
- 7. IMITATIONS**
The design, construction and trade names of most of our products are protected by patents, design registrations, trade marks, copyrights and/or pending applications and rigorous action will be taken against all infringers to protect both dealer and users from imitation.
- 8. ACCEPTANCE OF ORDER**
All orders are accepted by us on the understanding that our Conditions of Sale as stated in our current price list form the basis of the Contract of Sale entered into by the placing and acceptance of such orders.

Tungsten Alloy Darts

A Unique and Versatile Range

Comprehensive

Two distinct series T90 and T72 embrace complete range of styles, grips and weights.

Versatile

Use of two scientifically graded tungsten nickel alloys of significantly different density and hardness gives choice of 2 different weights for darts of identical physical size.

Practical Packaging

Outstanding display packaging—more appeal, speedier selection. Functional for dealer and user alike—slimline for the shelf and the pocket.

Flight Option

Handmade Darrow natural feather or XL acetel co-polymer shafts with GT Plus 'fold flat' polyester flights.

Dependable

From the design team that produced the world's first commercial tungsten alloy darts.

Weight Guaranteed

Every set supplied with individual Certificate of Weight which guarantees weight accuracy within $\pm \frac{1}{32}$.
